PROPERTY APAC & MENA

# DIRECT AND FACULTATIVE PROPERTY APAC & MENA

## What we do

- Underwrite a geographically diverse open market property book
- Policies written on an 'all risks' basis
- Offering peril specific coverage, such as:
  - Earthquake
  - Flood
  - Typhoon/cyclone
- Independent and highly sophisticated catastrophe modelling capabilities
- Recognised integrated wordings expertise
- Flexibility and service in both underwriting and claims

## Why we add value

- Our priority is to find a solution that fits clients' needs and our appetite; we are willing to take all business into consideration with a focus on real estate, retail and manufacturing sectors as well as petrochemicals, mining and power
- We offer a technical approach to pricing and breadth of knowledge from specialist underwriters who travel extensively to maintain their knowledge of their markets, clients, and products
- Through the application of our underwriting expertise and proactive approach, we have the capability and flexibility to respond swiftly to market developments and structure bespoke products
