

MARINE TREATY

canopus 

MARINE TREATY

How we add value

- Write a worldwide portfolio on a pro-rata and excess of loss basis, which is split between London market and international business
- Provide coverage for the following marine and specialty classes of business;
- Hull
 - Yachts
 - Construction
 - War
- Cargo
 - Project cargo
 - War
- Specie
 - General specie
 - Fine art
 - Jewellers block
 - Cash in transit
- Marine and energy liabilities
 - International Group
- Energy
 - Predominately offshore (including GOM wind)
- War
 - Both marine and aviation
- Political violence and terrorism
- Bloodstock
- P&I: We write a broad portfolio of protection and indemnity (P&I) business with a focus on the International Group reinsurance, select fixed premium P&I providers and marine mutuels with cross-class coverage, where we offer annual and multi-year basis excess of loss reinsurance along with pro rata products

Why we add value

- We have a depth of underwriting experience and expertise
- Strong leadership attributes
- We are fundamentally service orientated
- Long standing relationships with our client base
- Willingness to create bespoke solutions
- Meaningful capacity
- Offer consistency and technical expertise on pricing, with strong modelling capabilities for onshore exposures
- Empowered to make decisions; we adopt a flexible approach and seek to provide an efficient service for our clients
- We are open to considering new opportunities
- Our strong track record of providing bespoke reinsurance to our clients is supported by our actuarial P&I expertise allowing us to design capital management solutions
