Public Company Risks

With significant management liability underwriting and technical expertise we develop creative solutions for the specific needs of the organization. We have experience to handle risks through various stages of development, from start up to maturity, as well as those risks complex in structure. We like to refer to these risks as 'Standard with a Twist'.

What We Do

We offer both primary and excess capabilities for the below coverages. We can customize our policies to meet your risk management needs and offer shared or separate limit options.

- Directors & Officers Liability
- Lead Side A DIC
- Employment Practices Liability (excess only)
- Fiduciary Liability (excess only)
- Crime and Fidelity Bond (excess only)

Policy Forms

- **Canopus XS Sapphire**, a simplified follow form excess product
- **Canopus A++ Sapphire**, a lead non indemnifiable loss and DIC policy designed for public, private and not for profit organizations
- **Canopus Executive Sapphire**, a directors and officers liability policy for public companies

Target Customers

- Publicly traded firms with market capitalization of \$100 million and greater
- All industries considered
- Transactional risks including IPOs, Spin-Offs, Reverse Mergers, Reorganizations, Business Combinations, and Mergers & Acquisitions
