About Canopus

Together We're Better

Canopus is a global speciality (re)insurer with operations in Australia, Bermuda, Singapore, the UK, the US, Malaysia (Labuan) and China (through Lloyd's China). We are privately owned and are proud to offer an independent view of risk – our expert people ask the difficult questions so that our clients get exactly the solutions they need.

ILS

Our ILS platform offers investors straightforward access to the (re)insurance markets, using the underwriting skill and distribution of the Canopus group.

At Canopus we genuinely want to foster a distinctive, positive culture. A culture which gives space for us all to flourish as people

Underwriting Platforms

- Lloyd's: Syndicate 4444, managed by Canopus Managing Agents Ltd
- US: surplus lines insurance company, Canopus US Insurance, Inc
- Bermuda: Canopus Reinsurance Ltd

Canopius is a global specialty lines (re)insurer.

We believe our people's individuality, their critical thinking, their market insights, and ultimately their independent view of risks makes us different.

■ Building lasting relationships

We believe in building lasting relationships with our clients through meaningful engagement. We also encourage a style of leadership which helps people feel safe, supported and able to flourish.

"I want to work with people I enjoy working with."

■ Being available to respond to our clients

We are available to respond to our clients by encouraging our teams to be flexible, challenge bureaucracy and allow them the freedom to make things happen.

"This is still a people business; the personal connections you have hold more sway than other forms of communication."

■ Individual interaction and thoughtful dialogue

Managing complex risk often requires individual interaction and thoughtful dialogue. Our people are empowered to think expansively, to discuss, offer alternatives and find solutions.

"The more complex the risk, the more important the need for face-to-face dialogue."

■ Encouraging fresh thinking and curiosity

Our products and services are created by experts with significant experience in the markets which they serve. We encourage intellectual curiosity and fresh thinking.

"Complicated contracts still need people."

Cyber & Technology

Together We're Better

What We Do

Our policies are aimed at three distinct market sectors:

- Innovative and bespoke solutions for global/multi-national entities
- US Domiciled entities with no revenue thresholds
- Comprehensive, turnkey solutions for retail brokers, insurers and managing general underwriters

Our Portfolio Comprises:

- Full 1st and 3rd party cyber coverage
- Non-physical damage business interruption
- Remediation costs, including insurable fines and penalties
- Network security liability
- Network extortion threat
- Breaches of privacy liability, including data breaches
- Technology errors and omissions
- Social engineering coverage
- Physical damage caused by cyberattacks

Policies are available worldwide on either an insurance or reinsurance basis, where licensing permits

Best-in-Class Claims Handling

An insurance claim is the defining moment in our service to our clients.

As part of our commitment to ensuring our clients have a superior claims experience, we pledge to:

- Respond quickly to minimize impact from the loss
- Provide highly experienced claims professionals whether the business is local, national or around the globe
- Clearly explain how our coverage will respond and outline next steps and timeframes for adjusting the claim
- Partner to find solutions to complex issues
- Listen, acknowledge, and respond to feedback about our claims service

And we are here to help in the event of a data breach. Through our Cyber Breach Coaches, we offer our valued policyholders prequalified and negotiated preferred rates for comprehensive post-breach services, including:

A Breach Coach that will act as coordinator for an array of response services:

- Incident Response
- Digital Forensics
- Public Relations
- Regulatory Compliance
- Notification
- Credit Restoration/Monitoring

Cyber & Technology

Together We're Better

Why We Add Value

- Cyber attacks are the fastest-growing threat to modern businesses, with billions of attempts by hackers every year. As organisations rely on IT systems to manage most, if not all, of their critical business systems, insurance policies that adequately protect your IT infrastructure against loss or damage as a result of a successful hack is essential
- 12 Global Cyber and Technology team members
- Comprehensive suite of products including Cyber, Tech E&O, Non-Physical Business Interruption, Personal Cyber
- Regional underwriting authority facilitates ease of doing business

Our Capacity (USD)
