About Canopus

Together We're Better

Canopus is a global speciality (re)insurer with operations in Australia, Bermuda, Singapore, the UK, the US, Malaysia (Labuan) and China (through Lloyd's China). We are privately owned and are proud to offer an independent view of risk – our expert people ask the difficult questions so that our clients get exactly the solutions they need.

ILS

Our ILS platform offers investors straightforward access to the (re)insurance markets, using the underwriting skill and distribution of the Canopus group.

At Canopus we genuinely want to foster a distinctive, positive culture. A culture which gives space for us all to flourish as people

Underwriting Platforms

Canopius is a global specialty lines (re)insurer.

We believe our people's individuality, their critical thinking, their market insights, and ultimately their independent view of risks makes us different.

■ Building lasting relationships

We believe in building lasting relationships with our clients through meaningful engagement. We also encourage a style of leadership which helps people feel safe, supported and able to flourish.

"I want to work with people I enjoy working with."

■ Being available to respond to our clients

We are available to respond to our clients by encouraging our teams to be flexible, challenge bureaucracy and allow them the freedom to make things happen.

"This is still a people business; the personal connections you have hold more sway than other forms of communication."

■ Individual interaction and thoughtful dialogue

Managing complex risk often requires individual interaction and thoughtful dialogue. Our people are empowered to think expansively, to discuss, offer alternatives and find solutions.

"The more complex the risk, the more important the need for face-to-face dialogue."

■ Encouraging fresh thinking and curiosity

Our products and services are created by experts with significant experience in the markets which they serve. We encourage intellectual curiosity and fresh thinking.

"Complicated contracts still need people."
