Professional Errors & Omissions (E&O)

With significant E&O underwriting and technical expertise we develop creative solutions for the specific needs of the organization. We have experience to handle risks through various stages of development, from start up to maturity, as well as those risks complex in structure. We like to refer to these risks as 'Standard with a Twist'.

What We Do

We offer excess capabilities for the following coverages. We can customize our policies to meet your risk management needs and offer shared or separate limit options.
